UPDATES & CHANGES

Updated 7/20/2023

Regular Attenders Data:

In prior years, the district At-A-Glance profiles showed the K-2 Regular Attendance rate. Starting with the 2022-23 district At-A-Glance Profile, the district Regular Attendance rate will show the total rate for the district, grades K-12. The State Average comparison was also updated to show the percentage of Regular Attenders for all grades combined.

Individual Student Progress (Growth) Data:

Individual Student Progress (Growth) was not calculated for the 2021-22 school year and these data will no longer be included on the Elementary/Middle profiles in 2022-23 and moving forward. Similarly, Individual Student Progress (Growth) Data is not included on the district profiles.

Five-Year Completion:

Starting in 2022-23, the district profiles will display the Five-Year Completion rate on the front page and Five-Year Completion Rate by student group disaggregation on the back page.

Prior Year Comparison Arrows:

The prior year comparison arrows were added back for all dials on the front page of the school and district At-A-Glance profiles.

Our Staff:

For the 2022-23 school profiles, School Social Workers was added to the Counselor/Psychologist combined staff FTE count on the back page of the profile. See the [Our Staff](#) section for more information.

On the district profiles, a new data element added for School Social Workers. See the [Our Staff](#) section for more information.

Military Connected Student Group:

Military Connected students were added as a student group disaggregation on the back page for all three At-A-Glance profile types. See the [Outcomes](#) section for more information.

PURPOSE OF THE AT-A-GLANCE PROFILES

The At-A-Glance School and District profiles are published each year alongside the Accountability Detail sheets. Together, the At-A-Glance School and District Profiles and the Accountability Detail Sheets comprise the Oregon Department of Education's larger reporting system as required by the Oregon State legislature and the Every Student Succeeds Act (ESSA). The At-A-Glance School and District Profiles were designed by and for parents and community members to be an understandable and easy to read overview of how schools and districts serve their students. For more information on the redesign project, go to the [Report Card Redesign webpage](#).

The At-A-Glance School and District Profiles do not rate or grade schools and districts and they are not used to determine levels of support under ESSA.

Districts can preview the data published on the At-A-Glance in the [Achievement Data Insight](#) (ADI) application. District staff should contact their [district security administrator](#) for access to the ADI.

All data is based on the 2022-23 school year unless otherwise noted. Exceptions include the On-Time Graduation, Five-Year Completion, College Going, Teacher Retention, Same Principal, and Per Pupil Expenditure data elements.

There are three profile types: Elementary/Middle, High School, and District. This document is organized into two sections. This first section describes the data included on the Elementary/Middle and High School profiles. The second section describes the data included on the District profiles.

GUIDELINES FOR REPRODUCING AND DISTRIBUTING THE AT-A-GLANCE PROFILES

Districts are responsible for ensuring that the At-A-Glance profiles reach the parents of children enrolled in Oregon public schools. As prescribed in Oregon Administrative Rule (OAR) [581-022-2255](#), parents must receive a copy of the At-A-Glance profiles (report cards) by **January 15** of each year. While many districts choose to mail At-A-Glance profiles to parents, it is important to note that this is not a requirement. Districts have discretion concerning the method they use to distribute At-A-Glance profiles to parents and communities. Alternative distribution methods, according to OAR [581-022-2255](#), include electronically sending a copy, providing a link to a state or district web site containing the reports, or making copies available in local schools, libraries, parent centers, community centers, or other public locations easily accessible to parents and community members.

Current year and prior year's At-A-Glance Profiles are available for the public to download from [ODE's webpage](#).

ELEMENTARY/MIDDLE AND HIGH SCHOOL PROFILES

STUDENTS WE SERVE

The major data sources for this section are Spring Membership, as extracted from Third Period Cumulative ADM and other student level collections, and the Staff Position collection.

Note: This is a preliminary mockup; the layout may change by time of publication.

STUDENT ENROLLMENT

The count of students enrolled in a school. The basis is the attending school as captured in the Spring Membership extract, which is a record of student enrollment on the first school day in May. For more information on membership extracts, refer to the [Student Membership Manual](#).

STUDENT DEMOGRAPHICS

Student race/ethnicity in a school as reported in Spring Membership. In cases where at least one student in a group is enrolled at the school, but the percentage would round to 0, we display “<1”. Similarly, if the percentage would round to 100, but not every student in the school belongs to that group, we display “>99”.

TEACHER DEMOGRAPHICS

Staff race/ethnicity in a school as reported in the Staff Position collection. The Staff Position Collection is a December 1 snapshot of all public school and district staff. The calculation includes Head Teachers, Teachers, Special Education Teachers, Special Education Physical Education Teachers, Principals, Assistant Principals, Licensed Librarians, and Non Special Education School Counselors (position codes 3, 4, 5, 8, 9,

10, 22, or 23). In cases where at least one staff member in a group is reported at the school, but the percentage would round to 0, we display “<1”. Similarly, if the percentage would round to 100, but not every staff member in the school belongs to that group, we display “>99”. For more information, refer to [Staff Position Manual](#).

EVER ENGLISH LEARNERS

The percentage of students in Spring Membership who are current or former English learners. The data source is the Unduplicated English Learner data, matched to Spring Membership records. Students are considered Ever English Learners if they appear in the current year unduplicated Title III English Learner collection with a record type other than ‘3H’, ‘2J’, ‘SE’, or ‘EI’. The data are suppressed when the number of students in the denominator is less than ten then this indicator is suppressed with an ‘*’; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

LANGUAGES SPOKEN

The number of distinct languages in a school as reported in the “Language of Origin” field in Spring Membership.

STUDENTS WITH DISABILITIES

The percentage of students on an Individualized Education Plan (IEP) at any time in the school year, as reported in Spring Membership. The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with an ‘*’; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

REQUIRED CHILDHOOD VACCINATIONS

The percentage of students in a school with all required childhood vaccinations. Note that this does **not** include the COVID-19 vaccine. The denominator is attending school enrollment as reported to the Oregon Health Authority (OHA). The numerator is the total number of students with all required vaccinations. An ‘*’ is displayed for schools where student populations are below ten students. ODE receives immunization data from the OHA; for more information, go to the OHA’s [School Immunization Rates](#) web page.

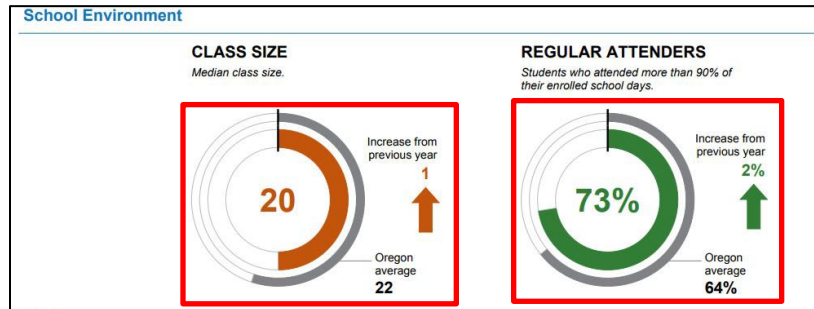

FREE/REDUCED PRICE LUNCH

The percentage of students in Spring Membership that were eligible for Free or Reduced Price school meals at any time in the school year, as reported in Spring Membership. The data are suppressed when the number of students in the denominator is less than ten then this indicator is suppressed with an ‘*’; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

Note: Schools that offered Free or Reduced Price school meals to all students regardless of their individual eligibility will appear as “>95”. This includes schools operating under the Community Eligibility Provision or Provision 2.

SCHOOL ENVIRONMENT

This section includes Class Size and Regular Attenders.

Note: This is a preliminary mockup; the layout may change by time of publication.

CLASS SIZE

The median class size on the first school day in May, as reported in the Class Roster collection. This calculation includes classes in core subject areas, and excludes non-instructional courses. For more information, refer to the [Class Size Technical Manual](#).

The State Average is the median class size for all schools and all grades combined.

REGULAR ATTENDERS

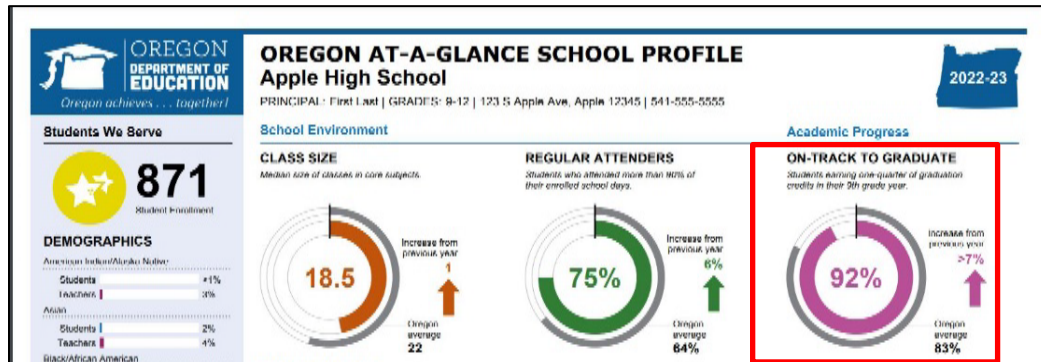

The percentage of students who attend more than 90% of their enrolled days within a school. This calculation only includes students in Spring Membership with at least 75 days of attendance in the school. The calculations are based on the attending school field in Third Period Cumulative ADM. For more information, refer to the [Regular Attenders Validation Manual](#).

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

The State Average is the percentage of Regular Attenders for all grades combined, K-12. It does not reflect the grades served by the school.

ACADEMIC PROGRESS

High schools and combined school profiles have a space to show On-Track to Graduate.

Note: This is a preliminary mockup; the layout may change by time of publication.

ON-TRACK TO GRADUATE

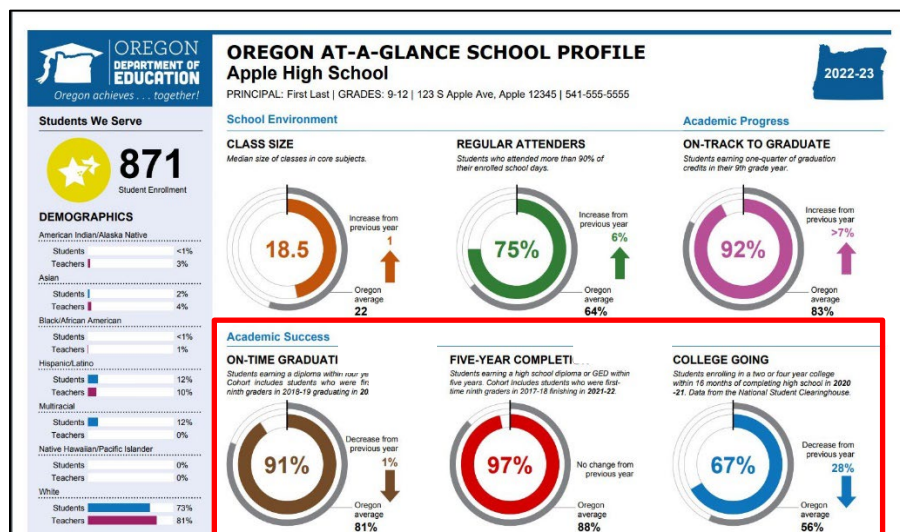

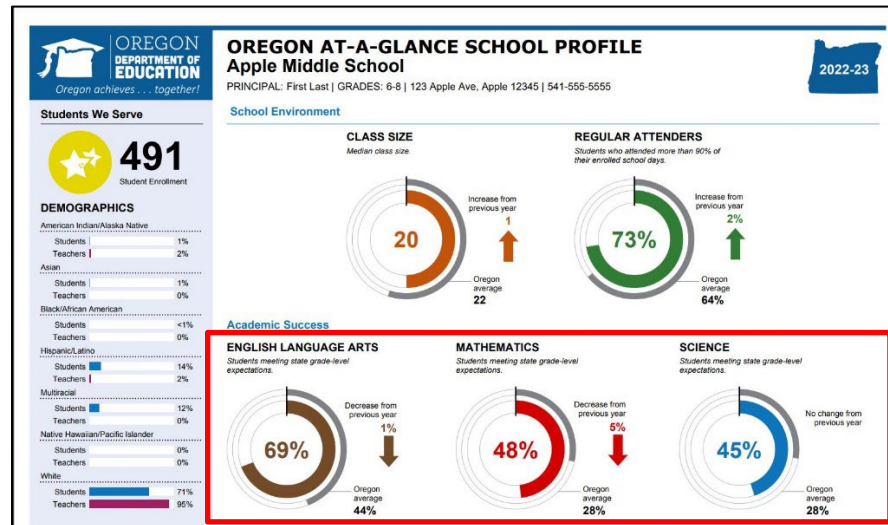

The percentage of students that have earned at least one quarter of their required credits for graduation in their first year in high school. The denominator is the number of resident students in Spring Membership that are full academic year at the school and have a high school entry year of 2022-2023. The numerator is the number of students earning at least one quarter of required credits by August 31, 2023 following their first year in high school.

Students are full academic year if the total ADM for their Spring Membership record is greater than 0.5 ADM across all of their Third Period Cumulative ADM records. The denominator excludes students who enrolled on the first week day in May but who transfer out of the school prior to the end of the school year. For more information, refer to the [Ninth Grade On-Track User Manual](#).

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a '*'; when the percentage is less than 5 or greater than 95, we display "<5" and ">95", respectively.

ACADEMIC SUCCESS

The Academic Success indicators vary by school. Elementary and Middle school profiles include English Language Arts, Mathematics, and Science assessment, while high schools and combined schools include On-Time Graduation, Five-Year Completion, and College Going rates.

Note: This is a preliminary mockup; the layout may change by time of publication.

ENGLISH LANGUAGE ARTS (ELA)

The percentage of students who achieved a Level 3 or Level 4 on the statewide ELA assessment, among those participating in the assessment. The denominator includes students in Spring Membership that are full academic year and had a valid test score, excluding first-year English learners. The numerator is those students in the denominator who achieved a Level 3 or Level 4. Students who achieved a Level 3 or Level 4 on the Extended Assessment (alternate standard) are included in the numerator.

Students are full academic year if the total ADM for their Spring Membership record is greater than 0.5 ADM across all of their Third Period Cumulative ADM records.

For schools that only serve students in grades K-2, ELA assessment data is calculated and published using the K-2 school's "receiver" school assessment data. "Receiver" schools are those schools that serve students after they matriculate out of grade 2 and into grades that participate in the statewide ELA assessment.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a "*"; when the percentage is less than 5 or greater than 95, we display "<5" and ">95", respectively.

The State Average shown is the state percentage for the grades served by the school. For example, for a K-5 school, the state average would be the state average for grades 3-5.

MATHEMATICS

The percentage of students who achieved a Level 3 or Level 4 on the statewide mathematics assessment, among those participating in the assessment. The denominator includes students in Spring Membership that are full academic year and had a valid test score, excluding first-year English learners. The numerator is those students in the denominator who achieved a Level 3 or Level 4. Students who achieved a Level 3 or Level 4 on the Extended Assessment (alternate standard) are included in the numerator.

Students are full academic year if the total ADM for their Spring Membership record is greater than 0.5 ADM across all of their Third Period Cumulative ADM records.

For schools that only serve students in grades K-2, mathematics assessment data is calculated and published using the K-2 school's "receiver" school assessment data. "Receiver" schools are those schools that serve students after they matriculate out of grade 2 and into grades that participate in the statewide mathematics assessment.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a "*"; when the percentage is less than 5 or greater than 95, we display "<5" and ">95", respectively.

The State Average shown is the state percentage for the grades served by the school. For example, for a middle school serving grades 6-8, the state average would be the state average for grades 6-8.

SCIENCE

The percentage of students who achieved a Level 3 or Level 4 on the statewide science assessment, among those participating in the assessment. The denominator includes students in Spring Membership that are full academic year and had a valid test score, excluding first-year English learners. The numerator is those students in the denominator who achieved a Level 3 or Level 4. Students who achieved a Level 3 or Level 4 on the Extended Assessment (alternate standard) are included in the numerator.

Students are full academic year if the total ADM for their Spring Membership record is greater than 0.5 ADM across all of their Third Period Cumulative ADM records.

For schools that only serve students in grades K-2, science assessment data is calculated and published using the K-2 school's "receiver" school assessment data. "Receiver" schools are those schools that

serve students after they matriculate out of grade 2 and into grades that participate in the statewide science assessment.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

The State Average shown is the state percentage for the grades served by the school. For example, for a school serving grades K-8, the state average would be the state average for grades 5 and 8.

ON-TIME GRADUATION

The percentage of students earning a regular or modified diploma within four years of entering high school. Data is shown for the cohort of students entering high school for the first time in the 2018-19 school year. This was the expected class of 2021-22 school year. Rates are based on an adjusted cohort. Each school’s cohort begins with the incoming 9th grade class each fall. Students are then added to the cohort when they transfer into the school and are removed from the school’s cohort if they transfer to another diploma-granting high school (in state or out of state), are deceased, or transfer to home or private school.

The denominator is the four-year adjusted cohort for the school. The numerator is students in the denominator who earned a regular or modified diploma by August 31, 2022. For more information, refer to the [Cohort Graduation Rate Policy and Technical Manual](#).

No suppression is applied to the total school level rate.

FIVE-YEAR COMPLETION

The percentage of students earning a regular diploma, modified diploma, extended diploma, adult high school diploma, or GED within five years of entering high school. Data are shown for the cohort of students entering high school for the first time in the 2016-17 school year. This was the expected class of 2020-21 school year. Rates are based on an adjusted cohort. Each school’s cohort begins with the incoming 9th grade class each fall. Students are then added to the cohort when they transfer into the school and are removed from the school’s cohort if they transfer to another diploma-granting high school (in state or out-of-state) or are deceased, or transfer to home or private school.

The denominator is the five-year adjusted cohort for the school. The numerator is students in the denominator who earned a GED or a regular, modified, extended, or adult high school diploma by August 31, 2022. For more information, refer to the [Cohort Graduation Rate Policy and Technical Manual](#).

No suppression is applied to the total school level rate.

COLLEGE GOING

This is the percentage of On-Time graduates who enroll in a postsecondary institution after graduating and before the end of the first academic year that follows the cohort’s graduation. The source of the postsecondary enrollment data is the National Student Clearinghouse.

The denominator includes the cohort of students entering high school for the first time in the 2017-18 school year and earning a regular or modified diploma by the 2020-21 school year (within four years of entering high school). The numerator is students in the denominator who have a postsecondary enrollment begin date that follows their high school exit date and is on or after June 1, 2021 and before October 1, 2022.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

SCHOOL GOALS, STATE GOALS, AND SAFE & WELCOMING ENVIRONMENT

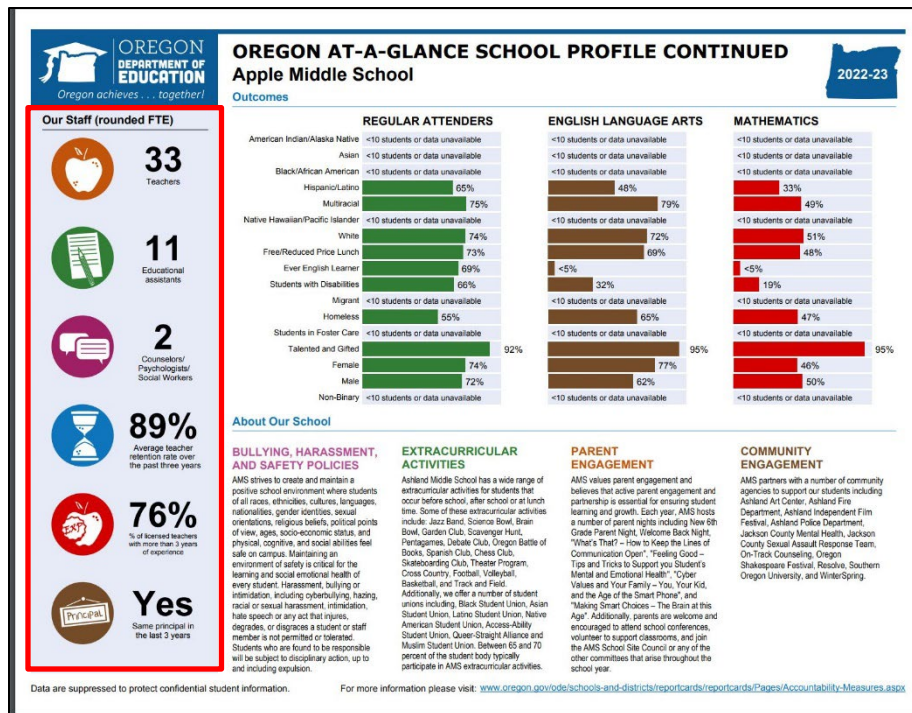

The Oregon Department of Education (ODE) provides the State Goals section. The School Goals and the Safe & Welcoming Environment sections are submitted to ODE by districts in the At-A-Glance Narrative Collection. For more information on this collection, please refer to the [At-A-Glance Narrative Collection manual](#).

Note: This is a preliminary mockup; the layout may change by time of publication.

OUR STAFF (ROUNDED FTE)

The data source for this section is the Staff Position collection, which is a snapshot of school and district staff employed on December 1 each year. Full time equivalent (FTE) is adjusted to account for staff who do not work the full contract length (FTE * Contract Length/Full Contract Length). Fractional FTE is rounded based on the following rules: FTEs that are zero, remain as zero; FTEs that are less than 1 will be reported as “<1”. FTEs that are 1 or greater will be rounded to the nearest whole number (e.g. an FTE of 1.2 rounds to 1, and 1.9 rounds to 2). For more information, refer to the [Staff Position Manual](#).

Note: This is a preliminary mockup; the layout may change by time of publication.

TEACHERS

This is the total adjusted FTE of teachers as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year (FTE * Contract Length/Full Contract Length). This calculation includes Head Teachers, Teachers, Special Education Teachers, and Special Education Physical Education Teachers (staff reported using position codes 5, 8, 22, or 23). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

EDUCATIONAL ASSISTANTS

The total adjusted FTE of educational assistants, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract year to account for staff who do not work the full academic year (FTE * Contract Length/Full Contract Length). This calculation includes Paraprofessionals and Special Education Paraprofessionals (staff reported with position codes 16 or 35). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

COUNSELORS/PSYCHOLOGISTS/SOCIAL WORKERS

The total adjusted FTE of counselors, psychologists, and social workers at the school, as reported in Staff Position. FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year (FTE * Contract Length/Full Contract Length). This calculation includes School Counselors and Special Education Counselors, Rehabilitation Counselors (staff reported with

position codes 10 or 33), Psychologists, Special Education Psychologists (staff reported with position codes 7 or 27), and Social Workers (staff reported with position codes 31 or 41). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

AVERAGE TEACHER RETENTION RATE

Based on the three-year average of the percentage of teachers employed at a school that return to the school in at least one of the two following school years. The denominator for each school year is the total adjusted FTE of teachers (staff members reported with position codes 5, 8, 22 or 23) at the school, while the numerator is the total adjusted FTE of the staff included in the denominator that returned to the school in any position in at least one of the following two years.

The three-year average is calculated by taking the sum of the numerators for the 2018-19 through 2020-21 school years divided by the sum of the denominators for the 2018-19 through 2020-21 school years. Data is pulled from the 2018-19 through 2022-23 Staff Position collections. For more information, refer to the [Staff Validation Guidance](#) document.

TEACHER EXPERIENCE

The Teacher Experience percentage is calculated by dividing the number of Experienced Teachers who are licensed by the total number of Teachers who are licensed at a given institution. Data come from the 2022-23 Staff Position Collection. A teacher is defined as a head teacher, teacher, special education teacher, or special education physical education teacher (position codes 5, 8, 22, or 23). A teacher is considered an Experienced Teacher if they are reported as licensed and the sum of the years of experience in Oregon and outside of Oregon is greater than three years.

Teachers who are not included in this calculation include the following:

- Teachers who are reported as unlicensed in the Staff Position Collection or
- Teachers who are on TSPC's charter school registry but not otherwise licensed or
- Teachers that are TSPC licensed, but have less than three years of total experience.

For more information, refer to the [Staff Validation Guidance](#) document.

SAME PRINCIPAL FOR THE LAST 3 YEARS

A "Yes" indicates that the school had the same principal in the previous three years. Schools with co-principals will have a "Yes" as long as at least one of the co-principals was employed at the school for all three years. Schools that opened in 2022-23 or that are assigned new school status will show "Yes."

A "No" indicates that the school had a change in principals in the previous three years. Principals are staff members reported with position code 3. Schools that had no principal, but reported a Head Teacher (position code 5) use the Head Teacher to calculate this metric.

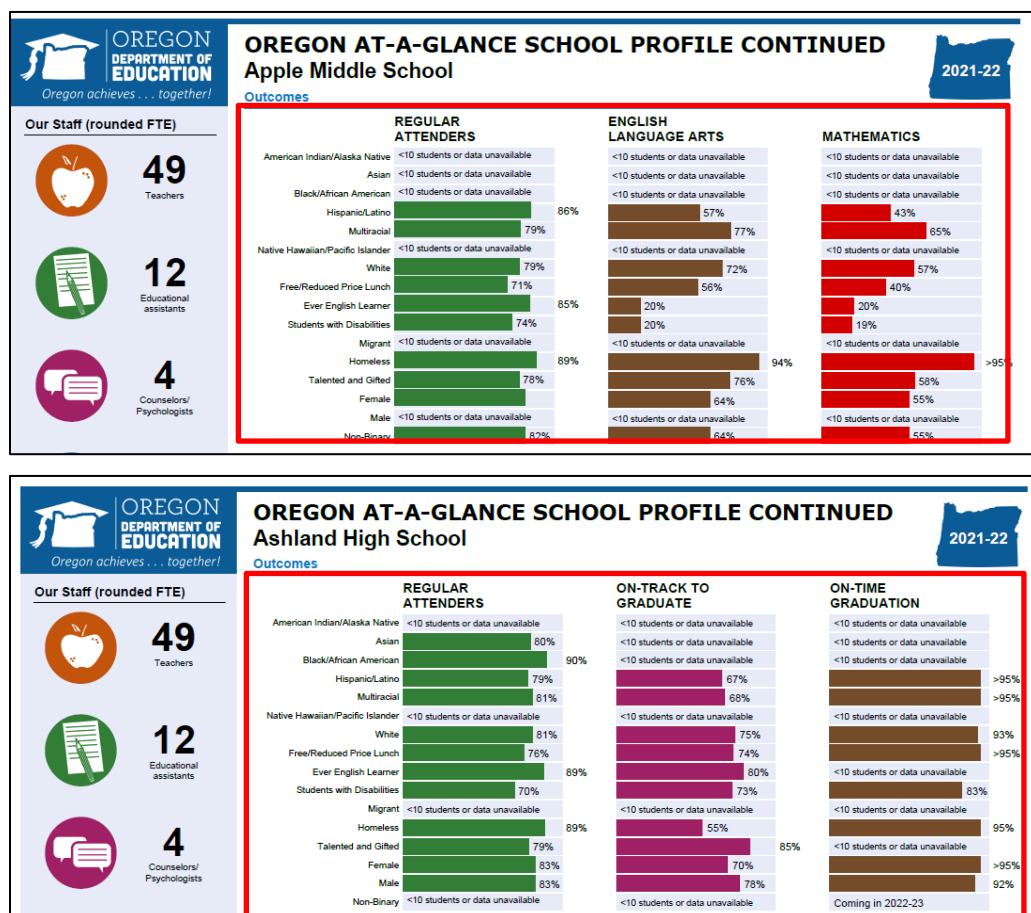

Data are from the 2020-21 through 2022-23 Staff Position collections. For more information, refer to the [Staff Validation Guidance](#) document.

OUTCOMES

The Outcomes section shows disaggregated data for three key indicators from the first page of the report. The Elementary and Middle School profiles include student group disaggregations for Regular Attenders, English Language Arts performance, and Mathematics performance.

The High School profiles include student group disaggregations for Regular Attenders, On-Track to Graduate, and On-Time Graduation.

The following rules describe how student group inclusion is determined. The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with “<10 students or data unavailable”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

Note: This is a preliminary mockup; the layout may change by time of publication.

REGULAR ATTENDERS

- **Race/Ethnicity:** as reported in Spring Membership.

- **Free/Reduced Priced Lunch**: students eligible at any time during the school year, as reported in Spring Membership.
- **Ever English Learners**: students reported as current or former English Learners in the 2022-23 unduplicated English Learners data. Excludes record types '3H', '2J', 'SE', or 'EI'.
- **Students with Disabilities**: students on an IEP at any time during the school year, as submitted in Third Period Cumulative ADM.
- **Migrant**: students submitted to the Oregon Migrant Student Information System (OMSIS) collection.
- **Homeless**: students submitted to the 2022-23 McKinney-Vento Homeless collection
- **Military Connected Students**: students reported as Military Connected in Spring Membership.
- **Students in Foster Care**: students with a foster care episode within the 2022-23 school year from the Oregon Department of Human Services.
- **Talented and Gifted**: students reported as Talented and Gifted in Spring Membership.
- **Male/Female/Non-Binary**: as reported in Spring Membership.

ENGLISH LANGUAGE ARTS AND MATHEMATICS

- **Race/Ethnicity**: as reported in Spring Membership.
- **Free/Reduced Price Lunch**: students eligible at any time during the school year, as reported in Spring Membership.
- **Ever English Learners**: students reported as current or former English Learners in the 2022-23 unduplicated English Learners data. Excludes record types '3H', '2J', 'SE', or 'EI'.
- **Students with Disabilities**: students on an IEP at any time during the school year, as submitted in Third Period Cumulative ADM.
- **Migrant**: students submitted to the Oregon Migrant Student Information System (OMSIS) collection.
- **Homeless**: students submitted to the 2022-23 McKinney-Vento Homeless collection.
- **Military Connected Students**: students reported as Military Connected in Spring Membership.
- **Students in Foster Care**: students with a foster care episode in the 2022-23 reporting year from the Oregon Department of Human Services.
- **Talented and Gifted**: students reported as Talented and Gifted in Spring Membership.
- **Male/Female/Non-Binary**: as reported in Spring Membership.
- For further details, see [Student Group Definitions for Assessment Results](#).

ON-TRACK TO GRADUATE

- **Race/Ethnicity**: as reported in Spring Membership.
- **Free/Reduced Price Lunch**: students eligible at any time during the school year, as reported in Spring Membership.
- **Ever English Learners**: students reported as current or former English Learners in the 2022-23 unduplicated English Learners data. Excludes record types '3H', '2J', 'SE', or 'EI'.
- **Students with Disabilities**: students on an IEP at any time during the school year, as submitted in Third Period Cumulative ADM.

- **Migrant**: students submitted to the Oregon Migrant Student Information System (OMSIS) collection.
- **Homeless**: students submitted to the 2022-23 McKinney-Vento Homeless collection.
- **Military Connected Students**: students reported as Military Connected in Spring Membership.
- **Students in Foster Care**: students with a foster care episode in the 2022-23 reporting year from the Oregon Department of Human Services.
- **Talented and Gifted**: students reported as Talented and Gifted in Spring Membership.
- **Female/Male/Non-Binary**: as reported in Spring Membership.

ON-TIME GRADUATION

- **Race/Ethnicity**: as reported on the record with the student's highest ranked outcome.
- **Free/Reduced Price Lunch**: students eligible at any time during high school, as reported in Spring Membership.
- **Ever English Learners**: students submitted as current or former English Learners in the Title III English Learners Spring Collection. This would be any student reported in the English Learner's collection with record type code other than '3H' or '2J' during the period 2009-10 through 2021-22.
- **Students with Disabilities**: students on an IEP at any time during high school (grade 9-12), as submitted in Special Education Child Count and Exit Collections.
- **Migrant**: students submitted to the Oregon Migrant Student Information System (OMSIS) collection in any of the four most recent collections.
- **Homeless**: students submitted to the McKinney-Vento Homeless collection in any of the four most recent collections.
- **Military Connected Students**: students reported as Military Connected from 2019-20 through 2022-23.
- **Talented and Gifted**: students reported as Talented and Gifted in Spring Membership from 2018-19 through 2021-22.
- **Female/Male/Non-Binary**: as reported on the record with the student's highest ranked outcome.
- For details, refer to the [Cohort Graduation Rate Technical Manual](#).

ABOUT OUR SCHOOL

Elementary and Middle School profiles include information on Bullying Harassment and Safety Policies, Extracurricular Activities, Parent Engagement, and Community Engagement.

High School profiles include information on Advanced Coursework, Career & Technical Information, Extracurricular Activities, and Parent & Community Engagement.

These sections are submitted to ODE by districts in the At-A-Glance Narrative collection. For more information on this collection, please refer to the [At-A-Glance Narrative collection manual](#).

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

AMS strives to create and maintain a positive school environment where students of all races, ethnicities, cultures, languages, nationalities, gender identities, sexual orientations, religious beliefs, political points of view, ages, socio-economic status, and physical, cognitive, and social abilities feel safe on campus. Maintaining an environment of safety is critical for the learning and social emotional health of every student. Harassment, bullying or intimidation, including cyberbullying, hazing, racial or sexual harassment, intimidation, hate speech or any act that injures, degrades, or disgraces a student or staff member is not permitted or tolerated. Students who are found to be responsible will be subject to disciplinary action, up to and including expulsion.

EXTRACURRICULAR ACTIVITIES

AMS has a wide range of extracurricular activities for students that occur before school, after school or at lunch time. Some of these extracurricular activities include: Jazz Band, Science Bowl, Brain Bowl, Garden Club, Scavenger Hunt, Pentagames, Debate Club, Oregon Battle of Books, Spanish Club, Chess Club, Skateboarding Club, Theater Program, Cross Country, Football, Volleyball, Basketball, and Track and Field. Additionally, we offer a number of student unions including: Black Student Union, Asian Student Union, Latino Student Union, Native American Student Union, Accessibility Student Union, Queer-Straight Alliance and Muslim Student Union. Between 65 and 70 percent of the student body typically participate in AMS extracurricular activities.

PARENT ENGAGEMENT

AMS values parent engagement and believes that active parent engagement and partnership is essential for ensuring student learning and growth. Each year AMS hosts a number of parent nights including New 6th Grade Parent Night, Welcome Back Night, "What's That?" - How to Keep the Lines of Communication Open, "Feeling Good - Tips and Tricks to Support Your Student's Mental and Emotional Health", "Cyber Values and Your Family - You, Your Kid, and the Age of the Smart Phone", and "Making Smart Choices - The Brain at this Age". Additionally, parents are welcome and encouraged to attend school conferences, volunteer to support classrooms, and join the AMS School Site Council or any of the other committees that arise throughout the school year.

COMMUNITY ENGAGEMENT

AMS partners with a number of community agencies to support our students including Ashland Art Center, Ashland Fire Department, Ashland Independent Film Festival, Ashland Police Department, Jackson County Mental Health, Jackson County Sexual Assault Response Team, On-Track Counseling, Oregon Shakespeare Festival, Resolve, Southern Oregon University, and WinterSpring.

About Our School

ADVANCED COURSEWORK

At Ashland High School we offer a number of Advanced Placement courses that also allow for dual credit at many colleges and universities. Our students tend to do well in these offerings, often leading to less coursework and money spent in college. Here are a few of our popular AP offerings:

- AP Biology
- AP US History
- AP Literature and Composition
- AP Politics and Lit
- AP Physics
- AP Calculus
- AP Spanish Literature and Language

CAREER & TECHNICAL EDUCATION

Ashland High School offers a number of exciting Career and Technical Education (CTE) opportunities. We offer numerous programs, which typically consist of three to four courses in an articulated sequence, that are aligned to entry level job skills. The programs and some of the industry credentials can also articulate into college credit at various community and state colleges. At Ashland High School we are proud to offer CTE pathways in the following areas:

- Automotive
- Technical Theater
- Business and Marketing
- Manufacturing Technology
- Culinary Arts
- Interior Design

EXTRACURRICULAR ACTIVITIES

Ashland High School offers a wide variety of extracurricular sports as well as during school and after school clubs:

- Winter Sports
 - Alpine and Nordic Ski
 - Equestrian
 - Boys and Girls Golf
- Crew
- Brain Bowl
- Drama Club
- Black and Latino Student Unions
- Key Club
- Math Honor Society
- Art Honor Society
- Queer-Straight Alliance
- and many more!

PARENT & COMMUNITY ENGAGEMENT

At Ashland High School, we try to engage our parent and community by holding monthly Site Council meetings, continuing partnerships with Rotary and Kiwanis, and requiring service learning hours for graduation. Although Covid-19 has put a hindrance on having the community be involved in person, classes continue to recruit guest speakers to attend virtually. We also have many clubs and sports that give back to the community such as creating a community mural, hosting students from Japan, and raising money for various causes such as pediatric cancer.

DISTRICT PROFILES

STUDENTS WE SERVE

The major data sources for this section are Spring Membership, as extracted from Third Period Cumulative ADM and other student level collections, and the Staff Position collection.

Note: This is a preliminary mockup, the layout may change by time of publication.

STUDENT ENROLLMENT

The count of students enrolled in a district. The basis is attending district as captured in the Spring Membership extract, which is a record of student enrollment on the first school day in May. For more information on membership extracts, refer to the [Student Membership Manual](#).

STUDENT DEMOGRAPHICS

Student race/ethnicity in a district as reported in Spring Membership. In cases where at least one student in a group is enrolled at the school, but the percentage would round to zero, we display "<1". Similarly, if the percentage would round to 100, but not every student in the school belongs to that group, we display ">99".

TEACHER DEMOGRAPHICS

Staff race/ethnicity in a district as reported in the Staff Position collection. The Staff Position Collection is a December 1 snapshot of all public school and district staff. The calculation includes Head Teachers, Teachers, Special Education Teachers, Special Education Physical Education Teachers, Principals, Assistant Principals, Licensed Librarians, and Non Special Education School Counselors (position codes 3, 4, 5, 8, 9, 10, 22, or 23). In cases where at least one staff member in a group is reported at the district, but the

percentage would round to zero, we display “<1”. Similarly, if the percentage would round to 100, but not every staff member in the school belongs to that group, we display “>99”. For more information, refer to the [Staff Position Manual](#).

EVER ENGLISH LEARNERS

The percentage of students in Spring Membership who are current or former English learners. The data source is the Unduplicated English Learner data, matched to Spring Membership records. Students are considered English Learners if they appear in the current year unduplicated Title III English Learner collection with a record type other than ‘3H’, ‘2J’, ‘SE’, or ‘EI’.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a ‘*’; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

LANGUAGES SPOKEN

The number of distinct languages in district as reported in the “Language of Origin” field in Spring Membership, excluding codes 0000 (N/A) and 4730 (undetermined).

STUDENTS WITH DISABILITIES

The percentage of students on an Individualized Education Plan (IEP) at any time in the school year, as reported in Spring Membership.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a ‘*’; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

MOBILE STUDENTS

The percentage of mobile students in a district as reported in Third Period Cumulative ADM. Students are considered mobile if they meet one or more of the following criteria:

- First reported enrollment was after October 1, 2022
- Last reported enrollment was before the first school day in May 2023. Unless the last event was the award of a credential (ADM End Date Codes 4A, 4C, 4D, or 4E), the student aged out (ADM End Date Code 3B), or the student is deceased (ADM End Date Code 6A), or the student previously earned a credential (ADM End Date Code 6B).
- Enrolled in more than one school or program, including Juvenile Detention Education Program (JDEP) or Long Term Care and Treatment (LTCT) placements.
- Had a gap of 10 or more consecutive weekdays between enrollments within the same school.

The denominator is the number of attending students enrolled in the district at any point during the school year. The numerator is the total number of students who meet one or more of the above criteria. For more information, refer to the [Student Mobility Methodology and Calculation Guide](#).

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

FREE/REDUCED PRICE LUNCH

The percentage of students in Spring Membership that were eligible for free or reduced price school meals at any time in the school year, as reported in Third Period Cumulative ADM. The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

DISTRICT ENVIRONMENT

The District Environment section of the At-A-Glance District profiles include student data from Regular Attendance rates of the total district rate.

Note: This is a preliminary mockup; the layout may change by time of publication.

REGULAR ATTENDERS

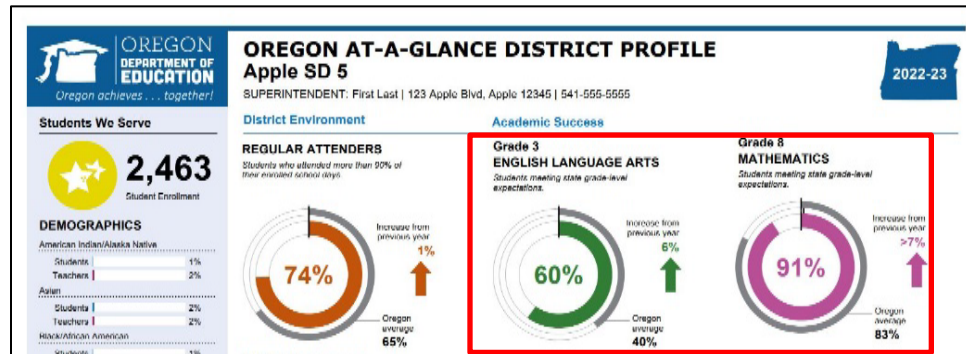

The percentage of students who attend more than 90% of their enrolled days within a school. This calculation only includes students in Spring Membership with at least 75 days of attendance in the school. The calculations are based on the attending school field in Third Period Cumulative ADM. For more information, refer to the [Regular Attenders Validation Guide](#).

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>95”, respectively.

The State Average is the percentage of Regular Attenders for all grades combined, K-12.

ACADEMIC SUCCESS

The district profiles have a space for Grade 3 ELA and Grade 8 Math.

Note: This is a preliminary mockup; the layout may change by time of publication.

GRADE 3 ENGLISH LANGUAGE ARTS (ELA)

The percentage of students in grade 3 who achieved a Level 3 or Level 4 on the statewide ELA assessment, among those participating in the assessment. The denominator includes students in Spring Membership who were full academic year and had a valid test score, excluding first-year English learners. The numerator is those students in the denominator who achieved a Level 3 or Level 4. Students who achieved a Level 3 or Level 4 on the Extended Assessment (alternate standard) are included in the numerator.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>9”, respectively.

The State Average shown is the state percentage for grade 3.

GRADE 8 MATHEMATICS

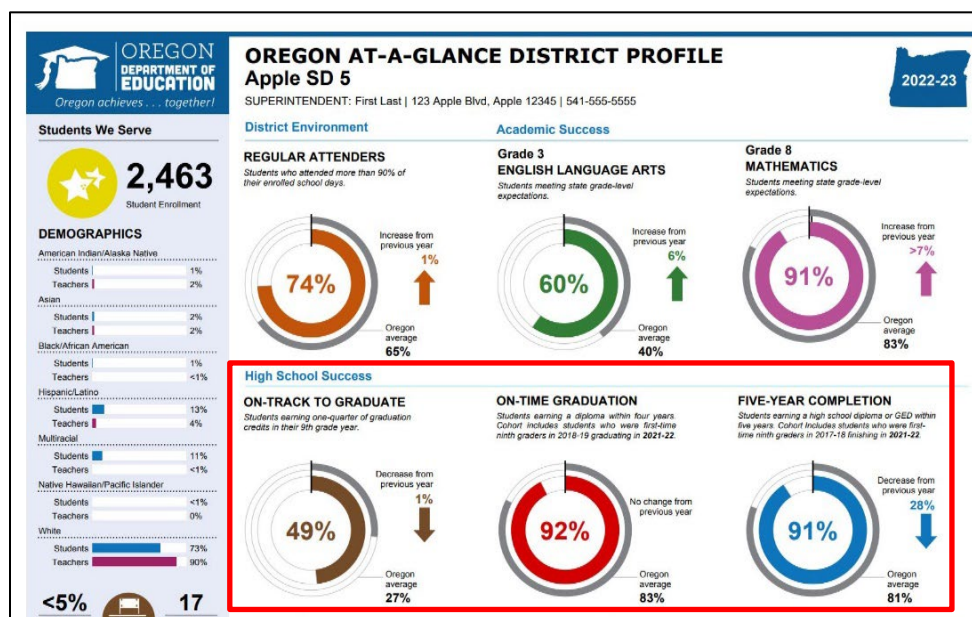

The percentage of students in grade 8 who achieved a Level 3 or Level 4 on the statewide mathematics assessment, among those participating in the assessment. The denominator includes students in Spring Membership who were full academic year and had a valid test score, excluding first-year English learners. The numerator is those students in the denominator who achieved a Level 3 or Level 4. Students who achieved a Level 3 or Level 4 on the Extended Assessment (alternate standard) are included in the numerator.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with a “*”; when the percentage is less than 5 or greater than 95, we display “<5” and “>9”, respectively.

The State Average shown is the state percentage for grade 8.

HIGH SCHOOL SUCCESS

The High School Success section of the At-A-Glance profiles includes ninth graders On-Track to Graduate, On-Time Graduation, and Five-Year Completion.

Note: This is a preliminary mockup; the layout may change by time of publication.

ON-TRACK TO GRADUATE

The percentage of students that have earned at least one quarter of their required credits for graduation in their first year in high school. The denominator is the number of resident students in Spring Membership that are full academic year at the district and have a high school entry year of 2022-23. The numerator is the number of students earning at least one quarter of required credits by August 31, 2023 following their first year in high school.

Students are full academic year if they were enrolled on the first school day in May and the total ADM for their Spring Membership record is greater than 0.5 ADM across all of their Third Period Cumulative ADM records. The denominator excludes students who enrolled on the first week day in May but who transfer out of the district prior to the end of the school year. For more information, refer to the [Ninth Grade On-Track collection manual](#).

The data are suppressed when the number of students in the denominator is less than ten then this indicator is suppressed with an '*'; when the percentage is less than 5 or greater than 95, we display "<5" and ">95", respectively.

ON-TIME GRADUATION

The percentage of students earning a regular or modified diploma within four years of entering high school. Data are shown for the cohort of students entering high school for the first time in the 2018-19 school year, and their outcomes as of 2021-22. Rates are based on an adjusted cohort. Each school's

cohort begins with the incoming 9th grade class each fall. Students are then added to the cohort when they transfer into the school and are removed from the school's cohort if they transfer to another diploma-granting high school (in state or out-of-state) or are deceased, or transfer to home or private school.

The denominator is the four-year adjusted cohort for the school. The numerator is students in the denominator who earned a regular or modified diploma by August 31, 2022. For more information, refer to the [Cohort Graduation Rate Policy and Technical Manual](#).

No suppression is applied to the total district level rate.

FIVE-YEAR COMPLETION

The percentage of students earning a regular diploma, modified diploma, extended diploma, adult high school diploma, or GED within five years of entering high school. Data are shown for the cohort of students entering high school for the first time in the 2017-18 school year, and their outcomes as of 2021-22. Rates are based on an adjusted cohort. Each district's cohort begins with the incoming 9th grade class each fall. Students are then added to the cohort when they transfer into the district and are removed from the district's cohort if they transfer to another diploma-granting high school (in state or out-of-state) or are deceased, or transfer to home or private school.

The denominator is the five-year adjusted cohort for the district. The numerator is students in the denominator who earned a GED or a regular, modified, extended, or adult high school diploma by August 31, 2022. For more information, refer to the [Cohort Graduation Rate Policy and Technical Manual](#).

No suppression is applied to the total district level rate.

DISTRICT AND STATE GOALS

The Oregon Department of Education (ODE) provides the State Goals section. The District Goals section is submitted to ODE in the Narrative Collection. For more information on this collection, please refer to the [At-A-Glance Narrative collection manual](#). This manual includes information on what kind of information should be included in each submitted section as well as examples.

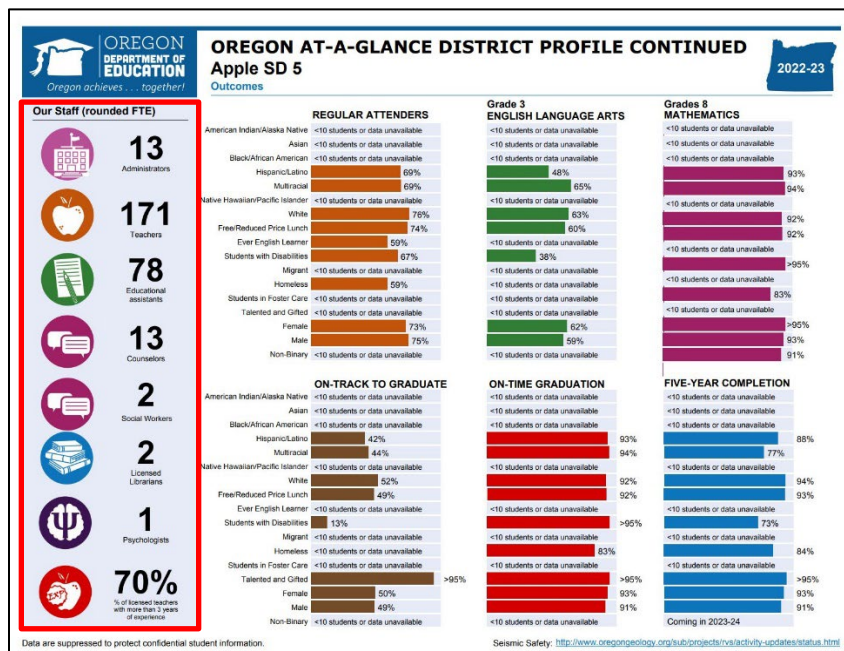

Note: This is a preliminary mockup; the layout may change by time of publication.

OUR STAFF (ROUNDED FTE)

The data source for this section is the Staff Position collection, which is a snapshot of school and district staff employed on December 1 each year. Full time equivalent (FTE) is adjusted to account for staff who

do not work the full contract year (FTE * Contract Length/Full Contract Length). Fractional FTE is rounded based on the following rules: FTEs that are zero remain as zero; FTEs that are less than 1 will be reported as "<1." FTEs that are 1 or greater will be rounded to the nearest whole number (e.g. an FTE of 1.2 rounds to 1 and 1.9 rounds to 2). For more information, refer to the [Staff Position Manual](#).

Note: This is a preliminary mockup; the layout may change by time of publication.

ADMINISTRATORS

This is the total adjusted FTE of Administrators reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year (FTE * Contract Length/Full Contract Length). This calculation includes Superintendents, Assistant Superintendents, Principals, Assistant Principals, and Special Education Administrators (staff reported using position codes 1, 2, 3, 4, 37, or 38). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

TEACHERS

This is the total adjusted FTE of teachers as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year (FTE * Contract Length/Full Contract Length). This calculation includes Head Teachers, Teachers, Special Education Teachers, and Special Education Physical Education Teachers (staff reported using position codes 5, 8, 22, or 23). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

EDUCATIONAL ASSISTANTS

The total adjusted FTE of educational assistants, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year ($\text{FTE} * \text{Contract Length} / \text{Full Contract Length}$). This calculation includes Paraprofessionals and Special Education Paraprofessionals (staff reported with position codes 16 or 35). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

COUNSELORS

The total adjusted FTE of counselors at the district, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year ($\text{FTE} * \text{Contract Length} / \text{Full Contract Length}$). This calculation includes School Counselors and Special Education Counselors and Rehabilitation Counselors (staff reported with position codes 10 or 33). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

LICENSED LIBRARIANS

The total adjusted FTE of licensed librarians in the district, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year ($\text{FTE} * \text{Contract Length} / \text{Full Contract Length}$). This calculation includes Library/Media Specialists (staff reported with position code 9). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

PSYCHOLOGISTS

The total adjusted FTE of psychologists at the district, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year ($\text{FTE} * \text{Contract Length} / \text{Full Contract Length}$). This calculation includes Psychologists and Special Education Psychologists (staff reported with position codes 7 and 27). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff Validation guidance document](#).

SOCIAL WORKERS

The total adjusted FTE of Social Workers at the district, as reported in [Staff Position](#). FTE is adjusted based on the contract and full contract length to account for staff who do not work the full academic year ($\text{FTE} * \text{Contract Length} / \text{Full Contract Length}$). This calculation includes Social Workers and Special Education Social Workers (staff reported with position codes 31 and 41). Any fractional FTE greater than 1 is rounded to the nearest whole number. For more information, refer to the [Staff FTE and Staff Ethnicity Validation guidance document](#).

TEACHER EXPERIENCE

The Teacher Experience percentage is calculated by dividing the number of Experienced Teachers who are licensed by the total number of Teachers who are licensed at a given institution. Data come from the 2022-23 Staff Position Collection. A teacher is defined as a head teacher, teacher, special education teacher, or special education physical education teacher (position codes 5, 8, 22, or 23). They are considered an Experienced Teacher if they are reported as licensed and the sum of the years of experience in Oregon and outside of Oregon is greater than 3 years.

Teachers who are not included in this calculation include the following:

- Teachers who are reported as unlicensed in the Staff Position Collection or
- Teachers who are on TSPC's charter school registry but not otherwise licensed or
- Teachers who are TSPC licensed, but have less than three years of total experience.

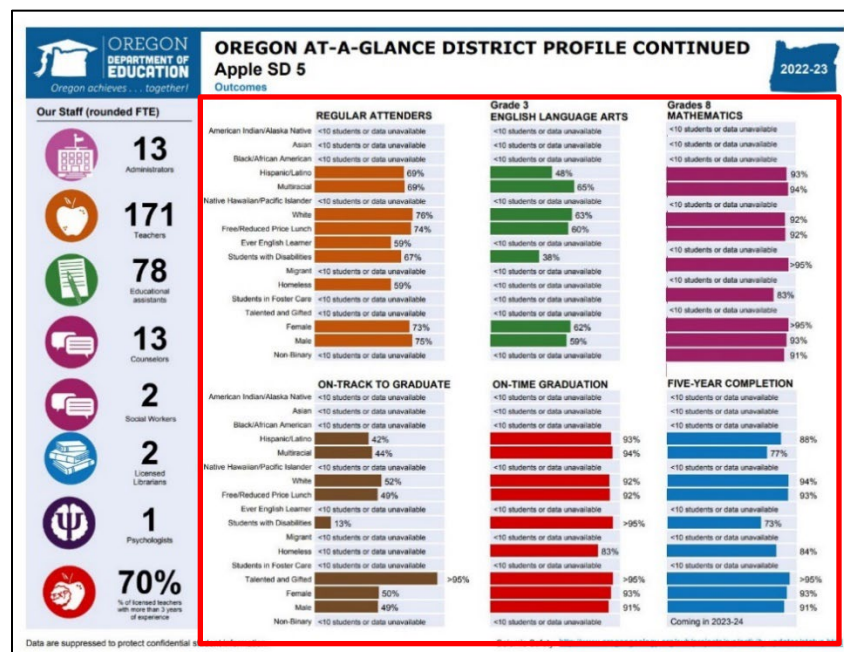

For more information, refer to the [Staff Validation Guidance](#) document.

OUTCOMES

The Outcomes sections shows disaggregated data for the indicators from the first page of the At-A-Glance district profile.

The following rules describe how student group inclusion is determined.

The data are suppressed when necessary: if the number of students in the denominator is less than ten then this indicator is suppressed with "<10 students or data unavailable"; when the percentage is less than 5 or greater than 95, we display "<5" and ">95", respectively.

Note: This is a preliminary mockup; the layout may change by time of publication.

REGULAR ATTENDERS

- **Race/Ethnicity**: as reported in Spring Membership.
- **Free/Reduced Priced Lunch**: students eligible at any time during the school year, as reported in Spring Membership.
- **Ever English Learners**: students reported as current or former English Learners in the 2022-23 unduplicated English Learners data. Excludes record types '3H', '2J', 'SE', or 'EI'.
- **Students with Disabilities**: students on an IEP at any time during the school year, as submitted in Third Period Cumulative ADM.
- **Migrant**: students submitted to the Oregon Migrant Student Information System (OMSIS) collection.
- **Homeless**: students submitted to the 2022-23 McKinney-Vento Homeless collection
- **Military Connected Students**: students reported as Military Connected in Spring Membership.
- **Students in Foster Care**: students with a foster care episode in the 2022-23 reporting year from the Oregon Department of Human Services.
- **Talented and Gifted**: students reported as Talented and Gifted in Spring Membership.
- **Male/Female/Non-Binary**: as reported in Spring Membership.

INSTITUTION USED FOR ACCOUNTABILITY REPORTING

By state statute, a student's resident institution is the entity responsible for that student's education (See [ORS 339.115](#) and [ORS 339.133](#)).

The student data elements included on the At-A-Glance Profiles are based on a student's resident institution. With the exception of Student Enrollment, Regular Attendance, and Student Mobility which are based on the student's attending institution.

Indicator	Institution Used
Student Enrollment	Attending
Regular Attenders	Attending
Student Mobility	Attending
ELA Achievement	Resident
Math Achievement	Resident
Science Achievement	Resident
9 th Grade On-Track	Resident
